ESTABLISHED 1860

VOLUME NUMBER 95 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, JANUARY 28, 1954 | NUMBER 42

Battery C, 649th Anti-aircraft Artillery Battalion had nine new members added to its rolls this week, it reported, and the entire group was sworn in during the Armory drill period. The papers of another applicant were not completed in time, and he will be enlisted at a later date.

This was the largest number of enlistments to be made in the Battery at one time. The previous high was chalked up last September when seven men were sworn in during a drill period held in connection with the showing of the National Guard movie, "Thunderbirds", at the 77 Drive-In Theatre.

It is expected that more enlistments will be made in the Battery shortly. CWO Eugene A. Mees, Administrative Assistant for the unit, said that he had received several more applications and they were being processed at this time.

The new Guardsment listed left to right are: Bobby Hugh Powell, Charles R. Walston, Billy Wayne Angell, Sherman Dean Weathersby, Billy Nabours, Edward P. Brady, L. C. Howard Barkemeyer, Hubert D. Youngblood, David E. Eubanks and Johnny R. Marak. Shown at the extreme right is Willie R. Boecker, who re-enlisted. At the left is shown Capt. James T. Terry, who swore the new guardsmen in.

Most of the new guardsmen are students in local schools, except Youngblood and Eubanks, who reside in Rockdale; the others are residents of Cameron and vicinity.

Feb. 1 Income Tax Deadline For Farmers, Employers

Monday, February 1, is an important Federal income tax deadline for farmers and employers, District Director of Internal Revenue R. L. Phinney said today

"Farmers who did not file estimated tax returns for 1953 are required to file their final income tax return by midnight of February 1," the Director said. "The usual deadline is January 31, but since that date falls on a Sunday farmers are given an extra day to comply with the law."

Farmers' estimated tax returns and estimated tax payments were due on January 15. Mr. Phinney explained, but those farmers who did not file an estimate may avoid penalties by filing their final return and paying thtir income tax on or before February 1.

He also said that during the month of January employers must issue statements of tax withheld from wages (Form W-2) to all employees.

Mr. Schultz of the local office of the Internal Revenue Service also called attention to the fact that midnight Monday is also the deadline for:

Employers to file their quarterly return of witheld income and social security taxes on Form 941, accompanied by triplicates of Form W-2a. Payment in cash of depository recipts is also required.

Employers to file reconciliation returns on tax witholding statements issued to employees.

W. T. Hanes Nominated Head Of Rotary District

At the District 187 Rotary Internatinal two-day session held Sunday and Monday in Temple, and Belton, Cameron, school superintendent, W. T. Hanes, was nominated governor, and will succeed George K. Marshall of Austin next July.

Mr. Hanes' nomination is tantamount to election. He will be elected formally at the Rotary International convention in Seattle during the June convention.

The announcement of the nomination climaxed the afternoon session Monday and cleared the way for the governor's banquet Monday night Mary Hardin-Baylor in Belton.

The conference was jointly hosted by Temple and Belton Rotary clubs. Jim Russell, president of the Belton club delivered the welcome address at Monday morning's session after the call to order by James C. Walker, conference co-chairman.

Mr. Russell was toastmaster and introduced the Mary Hardin-Baylor Choraliers, a vocal group of 10 students, who presented a 15-minute program. Invocation for the banquet was given by Dr. A. C. Gettys, acting president of Mary Hardin-Baylor college.

Mr. Hanes has been superintendent of the Cameron School system for the past nine years, coming here from Tahoka in 1945. He was a member of the Rotary Club since 1933 and became a member of the Cameron club in 1945. Mr. Hanes was serving as president of the Tahoka Rotary Club before his arrival in Cameron. Since coming to Cameron, he has seen much progress in the Cameron Public School system.

Mr. Hanes expressed his sincere appreciation to the members of the Cameron Rotary Club for their work. He stated that it was their work that gained the honor for the Cameron organization.

Attending the convention from Cameron were Hinton Pruett, Richard Moseley, Milton Brown, Calvin Markham, Walter Sharpe, Henry Siebman, John Hays, John Solomon, W. T. Hanes, Bill Burns Roland Carr, Roy Griffith, Dana Kestenbaum and Bill McIntosh.

Library Fund Receives First Contribution

The movement under way to establish a library for Cameron gained momentum this week when the first contribution amounting to $30 was made to the Jaycees Library Fund.

A special building account has been set up by Gene Blake, secretary and treasurer, to handle any contributions.

Any one wishing to donate to the fund for a library should make their check out to the Cameron Jaycees Library Fund or give or mail it to Gene Blake, care of Coca Cola Bottling Company, Cameron, Texas.

Progress is being made in other directions too. The president of the American Library Association has been contacted. This Association will give an initial donation of books to the Cameron Library as soon as a building has been prepared to house it. The building committee is at work and a suitable site is to be arranged for within the next two weeks. Arrangements for shelving, administration and a book canvas are already under way.

Rev. Jim McKeown, rector of All Saint's Episcopal Church, is chairman of the committee.

Belton Defeats Cameron, 41-34 In Cage Game

A rough and tumble District 23 AA basketball game was unreeled Friday night in Belton, when the Belton Tigers shoved through for a victory over the Cameron Yoemen, 41-34.

The end of the first quarter saw the Tigers out front, 15-9. But at the half the ball game was tied up 19-19. It was Belton out front at the end of the third quarter, 25-23.

It was the fourth quarter that saw the Tigers ice the game as they pulled out front.

It was Cameron's Dean Weathersby who took the lion's share of the honor by scoring 15 points and claiming the high point honors for the game. He was paced by his team mate, [illegible] who scored 10 and cinched the second high point honors. Fred Tuloch with nine points and Penny Vann with eight, both of Belton, took third and fourth high honors.

The Yoelet's (B-Team) came through and clobbered the Belton B's 33-26. Alton Witt hit the basket for 11 points to lead the Yoelets and take game high point honors. Buddy Cooper led the losers with 7.

Her Voice Travels 3 Miles for a Penny

HOW MUCH DOES YOUR TELEPHONE SERVICE actually cost? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. One of the group, Mrs. Felicia Littlejohn, made and received 58 local calls. She estimates that they covered a total of 345 miles. The cost, according to Mrs. Littlejohn's figures — about three miles for a penny. "That's a real bargain," she added. **SOUTHWESTERN BELL . . . A TEAM OF 28,000 TEXAS TELEPHONE PEOPLE . . . Steve Polzer Sees Results Of Soil Conservation Plan

K. W. BARTH

When I asked Steve Polzer how he came out on his cotton allotment, he said, "Well I am afraid I won't have enough land to fill it." He went on to explain that he was a deversified farmer and used a cropping system that would protect and improve his land. His main crops are cotton, corn, oats, Hubam clover, sorgham and winter peas. To fit in with these crops he keeps 15 mother cows.

Steve has been working on his conservation program for many years. When he joined the Central Texas Soil Conservation District he asked for help in developing a complete conservation program for each acre of his land, and today he has completed or has planned the treatment needed for the entire farm.

Nearly all of the land has been terraced except where waterways are not quite ready. One old waterway has been corrected and a sod flume completed to lower the water to the bottom of the old channel, two stock ponds have been constructed and stocked with fish, about twenty acres of pasture has been cleared and seeded to Bermuda and clover, about four acres of the deeper upland has been seeded to a mixture of native grasses. He rotates his close growing crops, row crops and legumes. Stubble is managed to leave some on the surface, and every acre of cropland is farmed on the contour. His plan calls for a few more terraces, one more waterway, one more stock pond and some erosion control structures. He will clear and overseed the rest of his native pasture and also seed about twenty acres of old cropland to one of the better introduced grasses. When all of this has been accomplished his conservation program will have been completed as planned.

Mr. Polzer is truly a conservation farmer and is doing all in his power to make his land better for the generations that follow.

Social Secuity On Tax Return Must Be Exact

Self-employed persons who expect to apply for social security monthly benefit payments within the immediate future will have available an exact copy of their income tax return and their Schedule C for 1953 at the time the claim is filed. This information was supplied by James B. Marley, Manager of the Austin office today. An exact copy of the Schedule C must be furnished the social security office as evidence of 1953 earnings and is required in both retirement cases as well as claims for survivors benefits.

Failure to make an extra copy of the tax return and Schedule C could result in a delay in the payment of benefit amounts. The social security administration can hardly secure the necessary information from the Bureau of Internal Revenue much under 6 to 9 months.

Current Inspection Sticker Necessary After April 15

Captain E. K. Browning, Jr., commanding officer of District No. 1 of the Texas Highway Patrol, with headquarters at Austin, Texas, announced that Highway Patrolmen would begin issuing tickets to persons who operate an auto on the streets and highways after April 15 without a current inspection sticker.

The Patrol Captain said that the men in his command have all received orders to that effect as the result of a directive issued at Austin by Homer Garrison Jr., Director of the Texas Department of Public Safety. Browning said that Garrison's order was made following definite instructions from the State Public Safety Commission that enforcement of the modified motor vehicle inspection law which was enacted by the last Legislature would definitely begin following the April 15 inspection deadline.

Captain Browning also pointed out that local and county police officers are empowered to enforce the inspection law.

According to the Patrol commander, only about 25 per cent of the cars in the 13 county area have been inspected to date. This means, he said, that car owners who have not yet had their vehicles checked will run the risk of being caught in a last minute "log jam" at the inspection stations if they delay longer in complying with the law.

"Our Patrolmen will continue to issue warnings to motorists whose cars do not bear a current inspection sticker through April 15," Captain Browning said in a prepared statement for the press and radio. "After that date, offenders will face court action."

Navasota Takes Double-Header From O. J Thomas

The O. J. Thomas girls and Bulldog basketball team went down in defeat against the Navasota girls team and Wildcats.

The game was played Monday in the new O. J. Thomas Gymnasium.

The Navasota Wildcats came from behind and in the last second of the game shot a long field goal to capture the main game from the Bulldogs. The local cagers kept the Wildcats on their toes all night and led until the final buzzer. A close 37-36 game found Fredrick Bradley of the Bulldogs with the game honors. Bradley scored for 13 points. The Wildcat's Camp took second high scoring honors with 10 points.

The O. J. Thomas girls were defeated, 23-8. L. Hubbard of Navasota was the high scorer with 14. Maggie Williams of Cameron dropped in 5.

Friday night the two teams go to Brenham. The girl's game will begin at 7:30 p.m. in the Brenham colored gym. The A game will follow.

First Of Series Of Farm Meetings Held

by Edwin Fischer

Wayne Mann and R. B. McDonald from the Soil Conservation Service met with Ollie Whittington and a group of his neighbors on his farm this week to study the conservation problem and to get an on the ground look at the different soil types and learn more about the total needs of the land. Farmers that met with us were O. W. Whittington, W. D. Bigbee, W. W. Powell and H. L. Bayer, E. J. Burkes from Burkes-Howard Implement Co. also went over the farm with us.

On this farm we found three main soil types in the cropland. As we went over the farm we checked the different physical characteristics of each soil type such as its depth, surface texture, structure permeability, slope of the land and amount of erosion. Taking into consideration all of these physical characteristics we discussed the capabilities of the land and the different treatment that would be required to satisfy the needs of the land. Before leaving the cropland we took a soils sample of one of the soils types to be sent to A & M College for a soil test.

In the pasture different grasses were identified and the merits of each discussed along with other pasture management practices.

This was the first of a series of on the farm meetings planned this year in Central Texas and Taylor Soil Conservation Districts. The objective of those meetings is to give the farmer and the interested business or professional man a better chance to know the land and the needs of the land. At the same time, Soil and District supervisors will be Conservation Service personnel learning how they can be of more service to the farmers.

The next meeting will be on Cornelious Tittsworth's farm in the South Elm Ridge Community on February 3rd at 10 a.m.

Buckholts HD Club Met Friday, Jan. 22

The Buckholts Home Demonstration Club met in regular session Friday afternoon, Jan. 22 in the homemaking room at the Buckholts School with Mrs. Ed Senkel as hostess.

She had an interesting quiz game which all members enjoyed. The refreshment course consisted of hot coffee and cookies.

During the meeting the books for the year were filled out for the years program. An interesting program is being worked out and the club solicits new members and visitors. Some programs would be more interesting to some than others, and any member of the club would be glad to explain to contemplating visitors just what days the visitor would enjoy most.

The prize package, which consisted of a pair of lovely ivy vases was brought by Mrs. J. P. Fuchs and won by Mrs. Theo Fuchs, the club president, who will in turn furnish the prize package, for the next meeting. The meeting will be Thursday February 11, instead of Friday afternoon, February 12. This change is for this particular meeting in order not to conflict with Council meeting on Friday 12. Mrs. C. S. Raney will be hostess at this meeting. Mrs. S. M. Corley is reporter for the club.

Couple Honored At Shower Saturday

The recreation room of the Marlow Baptist Church was the scene of a miscellaneous shower given Saturday night by the Sunday School Department of the church honoring Mr. and Mrs. William H. Bickett.

Mrs. Bickett was the former Elizabeth Plaster of Cameron before her marriage to Mr. Bickett on January 8. Mr. Bickett has been a member of the Sunday School class for many years, and he was reared in the Marlow Community.

Mrs. Morris Coward directed the games after which a large basket beautifully decorated and bearing the large red hearts with Bobby and Beth inscribed on them, was brought in. The basket was filled with many beautiful and useful gifts from their friends in the department and from others in the Marlow Community. After opening the gifts the couple thanked everyone for the many beautiful and useful gifts.

Refreshments of hot cocoa with marshmellows and home baked cookies were served. Assisting the ladies of the department were Mrs. T. R. Allen and Miss Lenora A. Bickett, aunts of the groom. Mrs. E. R. Plaster, mother of the bride, was a special guest.

Mrs. W. J. Warschak of Burlington was a business visitor here last week.

Scenes were shown of New Orleans, Bellingrath Gardens, Niagara Falls, Lambert Garden, Portland, Oregon, Butchart's Garden, Victoria, B. C., Columbia river drive and many other interesting places.

Plans are being formulated for the all day clinic to be directed by Mrs. Ed Allard of Lampasas April 8. The public is invited to take advantage of this opportunity to learn more about arrangement. This special clinic should add more to the Delphian Show, which will be held the latter part of April.

Several visitors including Mesdames Shep McLerran, Jimmy Lester and George Clarke were present.

Cpl. William Riley Now Serving As Patrolman In Japan

Cpl. William S. Riley, whose wife, Edna, lives in Cameron is now serving in Japan with the 187th Airborne Regimental Combat Team.

Veteran of two combat jumps in Korea, the 187th "Rakkasans" fought as infantry with nearly every UN division. It is now stationed in Japan as a security force.

Riley, son of Mr. and Mrs. Henderson Riley, Route 3, Cameron, is a patrolman in the Military Police Platoon. He entered the Army in January 1951 and was stationed at Fort Benning, Ga., before arriving overseas last November.

"A toast to Texas and the 770,121st barrel of Premium Quality Pearl Beer produced in 1953,"—the greatest production peak ever reached by any brewery in the state of Texas or the southwest. Commemorating the occasion, and thanking the thousands of Texans whose preference for Pearl Beer necessitated an expansion program in 1953, are: Harry Haegelin, master brewer; Datus E. Proper, vice president and general manager; Otto A. Koehler, president and H. B. (Pat) O'Brien, general sales manager; all of the Pearl Brewing Company of San Antonio.

On December 31, 1953, the PEARL Brewing Company sealed its 770,121st barrel of Premium Quality PEARL Beer, the largest annual output of any beer ever produced by any brewery at any time in the State of Texas.

For those who revel in the romance of figures, this is the complete and correct story. Computed in bottles and cans, this means 253,215,784 bottles and cans of Premium Quality PEARL Beer; well over a quarter of a billion.

More than a quarter of a billion of anything staggers the imagination, yet that is the number of bottles and cans of Premium Quality PEARL Beer produced in 1953 right here in Texas by the PEARL Brewing Company of San Antonio.

Due to the increasing demand for PEARL Beer throughout Texas it was not possible to meet consumer demand and the PEARL Brewing Company was forced to ration its distributors from April through August, 1953. Otherwise, the sales would have been even greater.

During 1953 the PEARL Brewing Company was engaged in a large expansion program which was completed early in the fall so that now the PEARL Brewery is not only the largest in Texas, but the largest in the entire Southwest, with an annual capacity of 1,150,000 barrels.

Aside from the fact that the PEARL Brewing Company makes a product that thousands of people enjoy and demand, the firm has become an important economic factor not only in San Antonio but the state. The spendable income of its 515 employees in San Antonio, well in excess of 2 million dollars annually, buys homes, groceries, clothes, cars, appliances, pleasures, luxuries and the many other things that contribute to better living.

In Texas every town and hamlet where beer is sold, are employees of PEARL'S 93 distributors who perform various jobs in connection with the distribution of PEARL Beer. Their wages swell the retail business in the areas in which they live.

Tax wise the PEARL Brewing Company pays in local, state and federal taxes more than 8 million dollars a year.

The story of PEARL Brewing Company is another great American story. Their production of 770,121 barrels of PEARL Premium Quality Beer in 1953 sets a new record which they expect to top in 1954, when PEARL Brewery has its increased capacity for the full 12 months.

Miss Nabours and Mr. Tumlinson Marry Saturday in Church Wedding

Miss Hortense Nabours and Mr. Jack Tumlinson were united in marriage at six o'clock in the evening, Saturday, the twenty-third of January in First Methodist Church of Cameron. Dr. Mark C. Magers, pastor, performed the double ring ceremony before an altar formed with candelabra showered with callas and acacia, and floor baskets.

The bride is the daughter of Mr. and Mrs. Homer Nabours and the bride-groom is the son of Col. and Mrs. O. G. Tumlinson.

The bride and her father entered on a white satin aisle runner. She wore a white Italian lace and nylon tulle gown with moyen age silhoutte coming to a point at the waist line, and tier upon tier of pleated net cascading down the sides and sweeping into a train of lace. Long glove-like sleeves and a nearly invisible yoke of nylon marquisette marked the bodice and lace petals embellished with pearls which were applied where tulle and lace joined. Her three-tiered finger tip veil fell from a lace and net coronet.

Her bridal bouquet was of yellow roses and white nylon tulle showered with seed pearls.

Mrs. Buster Griffin of Cameron served as her sister's matron of honor. Bridesmaids were Miss Mary Lynn Flinn of Temple, cousin of the bride, and Miss Sue Saage of Rockdale. They wore ballerina dresses in the Shepardess style in pure antique silk in colors ranging from mauve down to lilac. Their headdresses were Shepardess little bonnets trimmed with nosegays.

Mrs. Griffin carried a French bouquet of feathered pink carnations. The bridesmaids carried cresent arrangements of blue iris.

Col. Tumlinson served his son as best man. Groomsmen were brothers of the groom, Pete Tumlinson of Ft Worth and Dick Tumlinson of Dallas.

Mrs. Nabours, mother of the bride, wore a dusty rose lace dress over taffeta. She wore a dusty rose mesh hat with flowers of lavender velvet. The mother of the groom, Mrs. Tumlinson, chose a light blue brocade nylon dress with a small white velvet hat. Both wore corsages of white Gardenias.

Immediately following the ceremony, a reception was held in the Fellowship Hall of the church. The Bride's table was centered with an arrangement of large yellow roses and yellow nylon net with matching net around the table's edge. On either side of the flower arrangment was placed yellow candle holders. The four tiered wedding cake which was topped with a miniature bride and groom, was placed near the arrangement of roses. The table was balanced with a silver service placed at one end, and the crystal punch bowl at the other end.

MRS. JACK TUMLINSON . . . the former Miss Hortense Nabours, daughter of Mr. and Mrs. Homer Nabours, was married Saturday in a double ring ceremony at the First Methodist Church at Cameron.

Mrs. C. M. Davis of Ft. Worth, aunt of the bride, poured coffee and Mrs. A. E. Matula of Cameron, aunt of the bride, poured punch.

For her going away dress, Mrs. Tumlinson wore a brown suit with brown accessories. She wore a corsage of yellow roses.

Mrs. Tumlinson graduated from Yoe High School and attended Texas State College for Women at Denton and Southwestern University at Georgetown. She is employed with the Milam County Health Unit.

Mr. Tumlinson graduated from Stephen F. Austin High School in Bryan and received his B. S. degree from Texas A&M College and his M. S. degree from the University of Houston. At present he is engaged in the real estate business here.

After a wedding trip the couple will make their home in Cameron.

Out of town guests were.

Mr. and Mrs. A. L. Flint and Mary Lynn of Temple; Mr. and Mrs. Chester Critchfield of Temple; Mr. and Mrs. C. M. Davis of Fort Worth; Pete Tumlinson of Ft. Worth; Dick Tumlinson of Dallas; Mr. and Mrs. Bob Tumlinson of Bryan; Miss Martha Black of Corpus Christi; Mr. and Mrs. Jack Kreuger of New Braunfels; Mr. and Mrs. Charles Hensarling of Bryan; Mrs. B. B. Cooley of Marlin; Mrs. Julia Holloway of Dallas; Mr. and Mrs. L. A. Petty and daughter, Sue, of Sharp; Mr. and Mrs. Fred C. Elliott of Bryan; Mrs. John Duke and daughters, Diann and Molly, of Camp Tahuya; William Duke of Wellasville, N.Y.; Mrs. W. H. Massengale of Maysfield. Mr. and Mrs. LeRoy Massengale of Maysfield; Miss Katy Nesbit of Salem; Mrs. Arzer Martin and daughter, Nancy, of Temple; Miss Delsie Armstrong and Mrs. Annie Lawson, both of Waco; Mr. and Mrs. C. W. Wease of Dallas; H. D. Maxwell of Rockdale; Mr. and Mrs. W. F. Saage of Rockdale; Mrs. Daisy Brown of Rockdale; Leon Noack of Rockdale; Conn R. Isaac of Rockdale; Mr. and Mrs. J. E. Poore of College Station and Mr. and Mrs. C. W. Simmons of Bryan.

The couple knelt on a satin pillow as they pledged their vows beneath an arch which was entwined with green foliage and white mums. Three white wedding bells tied with white satin ribbons were in the center of the arch. Floor baskets of white mums, ferns an candelabrum were back of the arch. Small wedding bells tied with satin ribbon adorned the chancel rail and baskets of white mums were placed on either side of the chancel rail. Pews were marked by flat evergreens and white mums. White wedding bells and small candelbrum provided the decoration for the arch at the entrance of the church where the bridal party entered.

Given in marriage by her father who sang "At Dawning" Miss Eulene Heldman of Caldwell sang "The Lord's Prayer", accompanied by Mrs. Gordon Gautreaux

Have towels softer
Than you've ever dreamed of...

with an Automatic Gas clothes dryer!

Nothing feels better than a good rubdown with a thick, soft towel! And when you dry your towels in a gas dryer, they're twice as soft, twice as thick, and twice as absorbent as when line-dried!

Your towels will have that sunshine freshness, too. The built-in ultra-violet lamp gives you the advantage of the sun . . . the deodorizing action . . . with none of the disadvantages . . . fading, wind-whipped harshness, and clothesline wear and tear!

Your shag rugs and bathmats, work and play clothes, chenille items, your sheets and pillowcases are softer and longer wearing than ever before, too.

When you buy your first gas dryer, you'll wonder how you ever did without one. See them at Lone Star Gas or your favorite dealer's store!

MRS. HALLEY E. BAYES

Georgia Sipula And Halley Bayes Marry In Church Wedding At Marak

Miss Georgia Sipula became the bride of Mr. Halley E. Bayes in a nuptial ceremony performed by the Rev. Leonard Kazinsiky, pastor, at St. Cyril and Methodious Church at Marak.

The bride is the daughter of Mr. and Mrs. Mike Sipula of Marak and the bridegroom is the son of Mr. and Mrs. J. P. Monas of Galveston.

Given in marriage by her father, the bride wore a ballerina length gown of white lace and tulle over satin. The tight fitted bodice was fashioned with a full skirt of tulle with lace inserts. She wore a short length bolero designed with long lace sleeves which came to a point at the hands. The top was fashioned with an insert of satin. Her finger-tip bridal illusion was gathered at the top with a spray of orange blossoms. Her bouquet was an orchid.

The bride observed the tradition of something old, new, etc.

Miss Olga Horelica, cousin of the bride, served as maid of honor. She wore an orchid dress designed with a satin bodice and a net skirt which fell over the satin underskirt.

Her bouquet was of pink carnations.

Miss Emily Sipula, sister of the bride, was the bridesmaid. Her gown was of yellow satin and net designed similar to the maid-of-honor's. She carried a bouquet of blue carnations.

Best man was Stanley Sipula, brother of the bride. Witnesses were Jerry Sipula and Ladis Jacher. Richard Kamenicky of Cameron served as usher.

The mother of the bride and the mother of the groom wore navy blue dresses with white carnation corsages.

Mr. and Mrs. Bayes will make their home in Galveston.

Hoyte H. D. Club Gives To MOD Drive

The Hoyte Home Demonstration Club met at the home of Mrs. M. A. Hearne for their regular meeting on January 19 at 2 p.m.

Mrs. Frank Hanel, president, presided during the business session. The meeting was opened with the club prayer and creed. The group also recited a prayer for the United Nations.

The recreation period was led by Mrs. Monroe White.

The club will hold a Bake Sale on Saturday, February 6 at the Cameron Food Mart on East Central Street.

Plans were also discussed for an exhibition to be put up on Farm Bureau Day February 18. The club donated $10 to the Milam March of Dimes Drive and during the afternoon, Mrs. Frank Moraw won the surprise package.

After the business session, Mrs. Alice Hughes, Milam HD Agent, demonstrated how to make plain pastry pie with cream filling. The pi ewas baked and later served to the members.

The hostess, assisted by Mrs. John McLerran, served a refreshment course of a salad, wafers, nuts, cranberry crunch with punch to 11 members and 4 guests, Mesdames A. J. Isham, Alice Mitchell, Alice Hughes, and B. J. Williams of Markham.

The next regular meeting of the Hoyte HD club will be held February 2 at the home of Mrs. T. R. Allen. Mrs. Edwin Brod will give instructions in basket weaving at this meeting.

The Knights of Columbus Council of Cameron feted the Cameron Yoemen football team, their coaches and school officials with a barbeque chicken supper at the KC Hall Thursday night at 7:30.

Coach Leo Jackson introduced the players and gave the highlights of what to expect during the 1954 football season.

This supper is an annual affair given by the K of C's honoring the high school team. E. O. Schiller Jr., heads the local council.

Thirty-seven members of the Yoe High traveling squad, Coaches Joe Hawkins, Allsup, Shaw and Jackson, Principals Loughmiller and Layfield, and Supt. Hanes were present. Approximately 30 members of Knights of Columbus were also present.

The phenomenal 200-hp Buick CENTURY—highest-powered car at its price in America.

Dynaflow's* Great with this High-powered V8

THE wonder is that Twin-Turbine Dynaflow could be bettered at all.

But in the spectacular 1954 Buicks there's a whole long list of happy surprises besides the completely new bodies and glamorous new styling.

And one of them is the silken new whip and carry of TT Dynaflow as powered by the mightiest Buick engines ever built.

Come drive one of these gorgeous new '54 Buicks with this fully automatic transmission and you'll see what we mean.

Instant new response on getaway. Cyclonic new power in one single, sweeping, velvet stroke from standing start to legal limit. Smoothness beyond measurement—infinite and constant. And new quiet every step of the way.

That's literal fact—and we'll gladly prove it to you at the wheel of a beautiful new 1954 Buick. Drop in this week for a sampling—and for a face-to-face meeting with the buy of the year.

ALL 1954 BUICKS HAVE V8 ENGINES with stepped-up horsepowers, including the low-priced Buick SPECIAL, shown here in the stunning Riviera body style.

*Standard on Roadmaster, optional at extra cost on other Series.

County Agent Points Out That Farm Records Big Help

Many farmers wish now they had better records of their operations in 1953. Accurate farm records are a "must" for figuring income tax returns and should be the basis for changing farm practices and cropping systems.

The Present economic situation calls for management practices that lead to more efficient production. J. D. Moore, County Agent says a good set of records will show the weak spots in the farmer's present operations. They reflect, for study, the year's business, he says. And, records show what farm enterprises should be expanded or curtailed.

Moore says many farm record books are available but he especially likes the one prepared by staff members of the Texas A&M College System. The Texas Farm Record Book contains inventories for land, farm improvements, machinery and equipment, livestock, crops and feeds on hand, farm sales and expenses, farm products used in the home and a summary of the year's farming business.

An inventory, points out Moore, is a farmer's check-up of what he has at the start and finish of each year.

It's easy enough to keep a complete and accurate set of records, he says and they'll pay big dividents when it's time to evaluate your operations at the end of this year.

The local county agricultural agents office can furnish information on how to order the Texas Farm Record Book or it may be purchased direct from the Exchange Store, College Station Texas.

SGT, SKALA AT HOME

Sgt. G. C. Henry E. Skala son of Mr. and Mrs. Frank Skala of Clarkson, has recently been released from the United States Army.

Sgt. Skala spent thirteen and one half months in Korea, and while there he served with the 35 Inf. Regiment of the 25th Division.

Skala is a graduate of Yoe High School.

Yoe High Re-elected To School Group

W. T. Hanes, superintendant of the Cameron Independent School District received a letter from the Texas Education Agency informing him that Yoe High School had been re-elected to membership in the Southern Association of Colleges and Secondanry Schools. The letter reads as follows:

January 22, 1954
W. T. Hanes
Superintendent of Schools
Cameron, Texas
Dear Mr. Hanes:

It is a pleasure to inform you that C. H. Yoe High School was without reservation re-elected to membership in the Southern Association of Colleges and Secondary Schools at the Memphis, Tennesse, meeting early in December.

The Texas Committee wishes to express to you its appreciation of your cooperation in the work of the Southern Association and to express the hope that you will have a happy and successful year.

Very Truly Yours,
W. R. GOORSON
W. R. Goodson, Chairman
Texas Committee
Southern Association.
